Re: Certificate No. 278776J

Dear Mr. Millard:

I discussed your case with Mike Bigelow, the administrator for the Office of Professional Practices. Mr. Bigelow feels that a suspension is an appropriate disciplinary action for you to receive. However, given the circumstances of this case he is willing to agree to stay the suspension with appropriate provisions.

Please bear in mind that by signing an agreed order you waive your rights to appeal the action. In exchange for your agreement the Office of Professional Practices is able to use less specific language in the "Findings of Fact" portion of the order and close the case without further investigation.

A copy of the order is enclosed for your consideration. Please respond in writing by April 25<sup>th</sup>. If you have any questions, please feel free to call me.

Sincerely,

*Kathy Haslett*
