Attn: Adelle Nor

Dear Ms. Nor:

Re: JAMES (RANDY) DEMING

Though you have already received, from our District's general counsel, John Slater, a copy of my Notice of Probable Cause for the Discharge given to JAMES (RANDY) DEMING on January 15, 1991, I now wish to follow this up with a formal complaint against this former employee and request that you conduct an investigation to determine whether his teaching certificate should be revoked as provided for under WAC 180-86-100.

The grounds for my complaint made pursuant to WAC 180-86-110 are specifically set forth in my Notice of Probable Cause for Discharge previously sent to you.

If there is any additional information you require for your investigation, please let me know.

Sincerely yours,

Gordon L. Dolman, Ed.D.  
Superintendent
