

Hey,

I changed my mind and I  
am going to write you anyway.  
Thanks for having me stay at  
lunch today. I really liked  
seeing you. I know it wasn't much  
fun for you with a bunch of  
teachers in there but I liked it  
so thank you. I am sorry that  
break was in my room at the  
end of 3<sup>rd</sup>. I totally ignore her  
but I guess you don't see that.  
I totally understand how you feel.  
I get like that all the time.  
I am just like you! I want  
everyone to go away so I can  
be with you. It is so frustrating  
to see you and not be able  
to show you how much I  
love you. I will deal with it  
and not be such a poop.  
Anyway I wanted to write you  
so that you know I am always  
thinking of you and let you  
know how much I love you!  
"I do"
