

It was a very uncomfortable  
So I left about 5 min. before  
her meeting with Gene was over.  
I couldn't believe how creepy  
it felt. In Gene's business  
he is suppose to help people,  
not ~~exploit~~ ~~abuse~~ to twist it  
to personal gain. The whole  
meeting was unprofessional and  
very concerning. It made  
me wonder if he has done  
this before. My sister and  
I felt violated. It was  
all we could talk about  
on the way home. We couldn't  
believe ~~de~~ that he ~~is~~ had the  
power to black mail ~~with~~  
the information he got from the  
questions he asked in the beginning  
of the meeting.

Thank you for taking the  
time to read this.
